

Facilities Plan Update Springfield Water & Sewer Commission Springfield, Kentucky

Chapter 7-Public Participation/Introduction

Purpose

The purpose of this chapter is to:

- Present the public hearing notification for the wastewater Facilities Plan Update.
- Provide a transcript of the hearing and a summary of written comments received from the public.

Public Hearing

The Springfield Water & Sewer Commission (SWSC) and Quest Engineers, Inc., will conduct a public hearing to receive input from all interested parties. During the public hearing, the SWSC and Quest will present an overview of the Facilities Plan Update, including a description of the findings and recommendations.

Ancillary Information

- Clearinghouse comments related to this project are included in Appendix K.
- Written comments received will be included in Appendix L.
- The Division of Water (DOW) Facilities Plan Preparation Checklist is included in Appendix M to assist DOW staff with the review and approval of this document.
- DOW letter establishing preliminary effluent limits for expanded or new. Springfield WWTP is included in Appendix N.
- Planning Area Map, 1" = 2,000' is included in Appendix O.
- Future Collection System Map is included in Appendix P.
- Current User Charge and Sewer Use Ordinances are included in Appendix R.
